

Sterling IMI Series

Rust Handler
Water Softener

- Superior iron reduction
- Reduces staining
- Eliminates odors
- Brighter laundry
- Protects plumbing
- Corrects acid water conditions

- **IMI Rust Handler Water Softeners** remove higher levels of ferrous iron than a standard water softener.
- **Modular Design.** Provides quick serving of the control. No bolts or screws means most repairs can be done without tools.
- **Push-button Simplicity.** All settings and information retrievable at your fingertips.
- **Non-corrosive Construction.** All components are made of fiberglass, stainless steel or similar materials to provide years of service without rust or corrosion.
- **Hefty Brine Tank.** Large, 300 lb. capacity tank reduces the frequency of salt refill. Salt support platform keeps the salt dry and stops "mushing." Safety brine valve prevents overflow of salt brine.
- **Full Flow Bypass Valve.** Easy to use, two handle valve allows you to water the garden or yard with raw water. Large porting prevents pressure drop.

Model Number	Max. Grain Capacity	Regen. Type	Resin Volume cu. ft.	Overall Height	Salt Storage	Pipe Size
IMI34	34,000	Meter	1.0	56"	300 lb.	3/4" or 1"
IMI68	68,000		2.0	56"	300 lb.
