INTX Series
Space Saving Water Softener

- **Capable of Reducing Iron.** Hi capacity resin may eliminate need for an iron filter, when ferrous iron is present.
- **Space Saving Design.** Small foot print only 12" x 25".
- **Non-Corrosive Construction.** All components are made of fiberglass, stainless steel, or similar materials to provide years of service without rust or corrosion.
- **Modular Design.** Provides quick serving of the control. No bolts or screws means most repairs can be done without tools.
- **Adjustable Operation.** Programming can be adjusted to handle your water conditions.

Model Number	Grain Capacity		Type of Regeneration	Service Flow Rate		Resin Volume	Pipe Size
	Max.	Std.		Peak	Service
